

泰山学院物理与电子工程学院2022级通信工程专业本科

2024 ~ 2025学年第一学期

《EDA技术》 试卷A

(试卷共4页, 答题时间120分钟)

(答案写在答题纸上, 写在试题纸上无效)

|          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |           |     |     |     |     |     |     |     |     |     |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-----|-----|-----|-----|-----|-----|-----|-----|-----|
| 注意<br>事项 | 1. 请严格按照题号在相应答题区域作答, 超出答题区域的答案无效; 在草稿纸、试卷上答题无效。禁止填涂答题纸四角的识别区。                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 学号(*必填项*) |     |     |     |     |     |     |     |     |     |
|          | 2. 答题前请先将姓名、学号填涂清楚。                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |           |     |     |     |     |     |     |     |     |     |
|          | 3. 客观题使用2B铅笔填涂; 修改时用橡皮擦干净。                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | [0]       | [0] | [0] | [0] | [0] | [0] | [0] | [0] | [0] | [0] |
|          | 4. 保持卷面清洁, 不要装订、折叠、破损。                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | [1]       | [1] | [1] | [1] | [1] | [1] | [1] | [1] | [1] | [1] |
| 填涂       | 正确填涂:  错误填涂:      | [2]       | [2] | [2] | [2] | [2] | [2] | [2] | [2] | [2] | [2] |
|          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | [3]       | [3] | [3] | [3] | [3] | [3] | [3] | [3] | [3] | [3] |
| 考生禁填     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | [4]       | [4] | [4] | [4] | [4] | [4] | [4] | [4] | [4] | [4] |

一、单选题 (每题2分, 共20分)

1. [A] [B] [C] [D]
2. [A] [B] [C] [D]
3. [A] [B] [C] [D]
4. [A] [B] [C] [D]
5. [A] [B] [C] [D]
6. [A] [B] [C] [D]
7. [A] [B] [C] [D]
8. [A] [B] [C] [D]
9. [A] [B] [C] [D]
10. [A] [B] [C] [D]

二、填空题 (共20分)

|          |           |
|----------|-----------|
| 1. _____ | 2. _____  |
| 3. _____ | 4. _____  |
| 5. _____ | 6. _____  |
| 7. _____ | 8. _____  |
| 9. _____ | 10. _____ |

三、简答题 (共30分)

1. (6分)

2. (6分)

3. (6分)

4. (6分)

5. (6分)

四、程序填空题（共15分）

1. (15分)

五、编程题（共15分）

1. (15分)
