Chinese civilization once had a significant influence on world ⁻¹civilization. With the development of our country's economy and the rise of her international status in recent years, Chinese culture, which has a long history, is once attracting global attention. It was in this context that China decided to implement "Culture Exporting" strategy so as to enhances the cultural exchanges with the rest of world. "Culture Exporting" has greatly promoted the development of our country's cultural industries. it's becoming an effective approach through which China enhances her national image and comprehensive strength.

Inner Beauty

There has been a heated discussion about which was more important between inner beauty and physical beauty. Different people have different ideas. I think inner beauty is more important than physical beauty.

Beauty not only refer to the aspect in appearance, but also can be reflected from some things. We can have inner beauty by learning. But we ~~or~~ will not have physical beauty if we are ugly. Every one can not change that. Inner beauty ~~is~~ not only can help us make more friends, but also can help us receive respect from others. ~~Here are~~

Here are some tips that can help ⁻²you improve inner beauty. Reading books ^{knowledge} is the most effective way to improve inner beauty. Learning ⁱⁿ your daily life. I wish you can achieve your goal by your efforts.
